

House Democrats just called for a deliberate and thorough impeachment inquiry into Donald Trump.

This is the most historic week we've EVER seen in recent memory.

That's why it's critical we hit our HUGE fundraising goal -- \$150,000 before midnight tomorrow -- to protect our Majority and defeat Trump's agenda.

Our all-star Democrats have been waiting for this, too, and they've agreed to TRIPLE MATCH every anti-Trump contribution to this email.
